About Us

Established in the year **1990 at Ahmedabad in Gujarat, India**, We **Gorsan Impex Pvt Ltd**, are one of the leading **Manufacturer, Wholesaler and Expoter** of **Panel Processing Machinery**, Beam Saw Machine, Multi Boring Machines, Edge Banding Machine,etc. Our product range is known for its features like high performance, durability, high tensile strength, precision-engineered, corrosion resistant and long service life. These products are optimum in quality and can easily withstand extreme working conditions. Gorsan Impex Pvt Ltd specializes in the manufacture of high-quality tungsten carbide woodworking tools for the woodworking industry, saw shops, cabinet makers and hobbyists etc.. Gorsan Impex Pvt Ltd was founded in 1990 and over the years has accumulated vast experience and technological know-how. It is now recognized leader in wood working tools manufacturing. Superior manufacturing is the key to Perfect Tools quality. We use only the best tool steel and long-wearing micro-grain carbide in our tools, and our sharpening technologies are second to none. Our router bits are precision ground on state-of-the-art grinding equipment, with shear angles and radial relief for smooth, burn-free performance. Our bits also feature an anti-kickback design that limits the depth of cut and makes them safer to use.
