About Us

PSI is established in collaboration with OCPCS group, Mumbai, Maharashtra along with a group of expert professionals, technically qualified and trained with proven abilities and excellent track record in the field of Pest Control, to offer a new concept in Pest Management. The emphasis is to ensure quality service with utmost safety to human and the environment. PSI's policy is to ensure customer safety and satisfaction by strictly adhering to quality standards and judicious application of highly selective & safe insecticides/pesticides. The promoters of PSI have over 25+ years of applied knowledge in Pest Management derived out of dedicated hard work and exposure to complex pest problems in the past. PSI is a well organized and professionally managed Pest Control Operator(PCO) and established with a strong team of dedicated people. PSI has emerged as an organization with a good reputation by earning customer satisfaction. Today, PSI has on its clientele a large number of esteemed Companies and Corporates of repute and has consolidated the position in the market. PSI is known as an organization who offers quality service. With the present infrastructure and a dedicated band of technically qualified and trained service personnel, PSI is competent to efficiently handle and complete successfully any volume of pest management assignments anywhere in the country. This brief company profile is an earnest attempt to project our strength to impress upon you with a better insight...
