About Us

Who are we? Pets and We (PaW) was established in 2014 under the main concept idea as an online pets store from Hyderabad . where every pet lovers or owners can find, choose and buy their pet products with comfortable and easy way. Why Pets and We? “Pets and we” is committed to change the way people get pet food, We provide Home delivery service in Hyderabad. we are committed to provide extraordinary customer service, with having a wide range of variety of pet products along with best deal in market. What we sell? We always believe that pets are parts of the family member and we should shower our love and caring to them like what we treat to our family members. so our aim is to provide customers with products and services that can ensure their beloved pet will enjoy a happy, healthy life. Our main product lines will be Pet Food, pet collars and leash and much more to come! Our commitment to Customer Each and every customer valuable for us. We never think our customers as an ordinary customers who just buy the pet products and that's it. We always value the relationship. We keep a strong mindset where our customer is also part of our family member and we should create a long lasting relationship. We own our full responsibility in ensuring that each of our customers will satisfied with their products and needs.

Although we do not have big advertising budget from the rest of other competitors, we will always do our best to ensure all our customers are...
