About Us

The company strives to provide products of the highest quality that give maximum value for money. Over the last 8 years, PG and Company forayed into the Domestic Market segment, a move that reaped immense benefits. Within the rapidly expanding Agro products category, PG and Company Exports operates in four verticals consisting of a total of 4 product cells: Nuts & Kernels, Spices, Feed Grains and other Agro products PG and Company Exports products are sourced and manufactured from origin point of products where these products are being grown and cultivated. The company's Registered headquarter is in Jaipur (Rajasthan) and the functional and administrative office is also in Jaipur, Rajasthan, India. Today, PG and Company has gained a strong foothold in all the markets it operates in, edging out existing competition and enjoying the leading position in most of its product categories. PG and Company continues to spread its wings and grow, everyday. The organizational structure has also evolved continuously in keeping with its business growth. The operations of the Group are managed by a team of well qualified and highly motivated employees. Its flat and flexible structure has played a critical role in its growth and success. The company provides its employees an environment that allows them to excel in their areas of competency and interest.
