Phoenix 360 is a turnkey Education Management Company, actively involved in facilitating Education Equity in India.

## About Us

Phoenix 360 is a turnkey Education Management Company, actively involved in facilitating Education Equity in India. We conduct Ground-level Education Program, Trust based works, Education Consultation, Event Management and Public Relations for various Educational establishments. We engage with associates, partners and franchisees in order to guide the next generation of students to achieve excellence in the field of education.

Established in the year 2004, Phoenix 360 capitalizes on the vast experience gained from guiding several thousands of aspirants by our experienced faculties and education counselors, to provide comprehensive guidance to students from all walks of life.
