Offering project management services, asset management services etc.

About Us

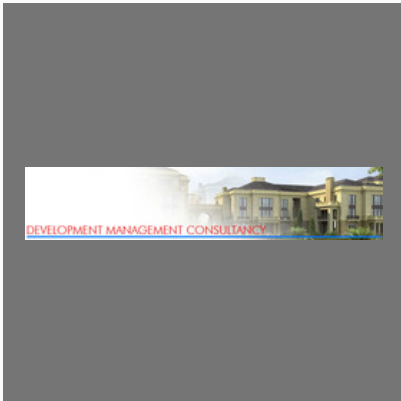

Piedmont Development Company Pvt Ltd was established in 2007 with the objective of bringing world-class technologies and practices to the Indian market. Being a 100% subsidiary of Piedmont LLC, DE, USA (a company set up by GID and Akridge, some of the most revered names of US real estate industry), Piedmont Development Company in India caters to institutional investors as well as land owners and has a mandate to deliver state-of-the-art solutions in the fields of- Development Management Project Management Special Services Asset Management services To deliver on our promise of best-in-class real estate development and management, we have engaged a team consisting of industry recognized specialists who have experience in executing large projects across various asset classes. These engineers, architects and financial professionals based out of our offices in Gurgaon and Bangalore have a cumulative experience of more than 300 years! It is no surprise then that Piedmont currently has development management contracts of 9.2 million sq. ft., managed assets worth INR 1200 crores across various asset classes like township, group housing, office/IT parks, retail spaces and luxury hotels. Not one to bask on past laurels, we at Piedmont are constantly looking for newer challenges by way of Joint Ventures & Joint Development Agreements and we are also open to co-investing in projects as per FDI norms.
