About Us

Dates have always been held in very high esteem in almost all cultures and regions in the world. The real importance of this chief of all fruits in the world could well be gauged from the fact that date palms and dates have been referred in view of high nutritive value and universal appeal of the fruit; dates have been celebrated by poets. World production of dates has almost tripled, while export has increased by 1.71% in the last 40 years indicating an increase in the demand for this nutritious fruit. High-energy date fruits have been placed high on the diets of the health conscious.
