## About Us

**Pinaki Weaves**, incepted in the year **2010**, has become one of the renowned **Manufacturers** of **Rayon Fabrics, Polyester Fabrics, Mattress Fabrics, Matty Fabrics, Cotton Fabrics, etc.** We are a destination to source exclusively processed yarns and feel proud to offer our customers solutions that will make their products comfortable and durable. We are fostered with a robust and ultramodern manufacturing unit that makes us capable of producing a wide range of products. Cover a broad area, this infrastructural unit is properly divided into plenty of well functional departments. This segregation helps us to meet the variegated needs of the clients in a timely and efficient manner. Our strategy always focuses on offering competitively priced products and providing an excellent customer care. To handle all these departments in an organized manner, we have recruited a team of smart and veteran professionals. They put their 100% efforts to achieve the set objectives of the organization. Apart from this, we have also established a huge and well-equipped warehouse where we store these fabrics in an organized and safe manner.

With support and able-guidance of our mentor “**Mr. Dinesh Toshniwal**”, we are able to reach the pinnacle of success. His knowledge and rich experience in this domain help us in meeting all the industrial requirements with perfection. Our mentor keeps an eye on all the ongoing production processes and other...
