

TAL SALES PVT LTD

<https://www.indiamart.com/pinnaclefashions/>

We are manufacturers and exporters of soft home furnishings such as circular leather cushions, sequin beaded cushions, ethnic grid cushions, suede bed covers, ring curtains which are embellished with hand work or with machine embroidery.

About Us

Since its inception in **2005**, **Pinnacle Home Fashions** has grown steadily as a manufacturer and exporter of soft furnishings such as decorative cushions, beaded table runners, leaf table runners, embroidered table linen such as table runners, table cloth, place mats, napkins and coasters, exquisite curtain panels and bed linen including duvet covers and embroidered bed spreads.

Within a short span of merely 4 years in the industry, we are successfully doing business with leading stores not only in India (such as Welspun Retail Ltd and Be-Home by Raymonds) but also in overseas markets in the U.K, U.S.A, Canada, Australia and the Middle East Comprising of Dubai, Kuwait and Egypt.

We have a creative team of well qualified designers and skilled craftsmen and hence we have managed to achieve high standards both in terms of design and the quality of products while maintaining strict delivery schedules. This has helped us to get some prestigious clients worldwide such as Winners, Home sense, Home goods, Marina Home Interiors, Jashanmal National Company and Homesrus (a unit of Lals Trading LLC) to name a few.
