About Us

PKA Builders established in the year **2010** as a sole proprietorship based firm. We are one of the leading **service provider** of **Construction service, Architectural service, Design service, Promotion service, Engineering Service** and **many more**. Our entire product range is manufactured by our authentic vendors using high quality raw material. We are not only recommended by our client for our product in India but abroad also. We owe a huge client list because of our quality products and timely delivery. Under the guidance and support of **Mr. P. Arivalagan**, we have gained a reputed position in the market and an endless client list speaks itself the journey of our success. His vast industrial experience and knowledge in this domain gives an extra edge to our competitors. He always inspired the team to work towards the achievement of organizational goals. In a very short span of time, we have been appreciated for our services and products. We are backed with infrastructure built with highly sophisticated machineries and equipped with advanced technology. All these machines are operated by skilled team members, who are always filled with a positive energy and have a passion to work in progress of the organization. In addition to this, we have a separate research team involved in research to understand the current market requirement and trends. Based on their input, our team tries to provide best service to our customer in a cost...
