Plasti Surge Industries Pvt. Ltd.

<https://www.indiamart.com/plastisurgeindustriesprivatelimited/>

We are trustworthy manufacturer and exporter of Surgical Products. Our products are widely appreciated for their features like user-friendliness, light & compact designs, excellent performance, portability, and safety.

About Us

Founded in the year **1989**, **Plasti Surge Industries Pvt. Ltd.**, **ISO 13485:2012 certified** is one of the reputed companies engaged in manufacturing and exporting of Surgical Products. Our qualitative range of products includes Biomedical Waste Collection Bag, Hospital Drapes, and Hospital Gowns. We are into the business of manufacturing wide range of surgical instruments that are widely used in various hospitals, nursing homes, health care centres and other medical establishments. Our mission is to develop, produce and market, safe & effective healthcare products for the community that shall improve the quality of healthcare by adhering to highest standards of manufacturing and service. Our range is available in different designs, sizes, shapes, and colours. Our effective marketing strategy and client centric approach have also assisted us in catering to the needs of a wide clientele in the market. As a result, our products have found a great demand in the market by several patrons across **India, African Countries and Asian Countries**. Our latest infrastructure is one of the prime reasons for the premium quality levels we are able to maintain in our line of products, while our wide distribution network is functional in enabling timely delivery of the products. Having developed a well-equipped manufacturing unit and an in-house design unit, we have been able to meet the specific requirements of our valued clients. Our sound infrastructure, flawless range,...
