## About Us

Welcome to PMS HR Solutions Pvt. Ltd. We are in HR Outsourcing business from last 1 decade, we observe that dealing with human resource related issues such as manpower management, employee retention, MBO, PMS, Statutory compliance, compensation & benefit management, are becoming so much sensitive & crucial in the organization. If management fails to give justice to any one of issue, this will lead to be a major industrial dispute. We are aware that management is putting their 100% efforts while dealing with these issues, but after spending lot of executive time & money, sometimes management fails to achieve the targeted goal/ objectives of the organizations. We are come up with solutions for these issues. Our company strives to give the best corporate services at competitive prices. We are giving manpower recruitment services, staff outsourcing services, payroll outsourcing services, corporate trainings, HR Outsourcing Services & statutory compliance services to any size of organization. We have trained manpower, updated system support & 24\*7\*365 days online support to understand your business needs & provide a quick solution for the same. Outsource your HR related services to us & be free to think for your business growth & expansion
