<https://www.indiamart.com/pn-memorial-neurocentre/>

Heart care hospital providing medical services that include cosmetic surgery, dental treatment surgery, ENT surgery, plastic surgery and orthopedic surgery, medical pathology laboratories services and medical rehabilitation services.

About Us

DESUN Hospital & Heart Institute is a 303 bed hospital founded and promoted by Mr. Sajal Dutta. Mr. Dutta is a Graduate Mechanical Engineer with post graduation in Business Administration from the prestigious Indian Institute of Management, Calcutta. He runs successful businesses in India and USA and his companies own well known brand names in international retail market. Mr. Dutta is also the Founder-promoter and Director of Ruby General Hospital Limited, Kolkata. Overlooking the 160 feet wide E M Bypass at Kasba Golpark in South Kolkata, the sprawling 10 storied hospital is spread across 250,000 sq. ft. DESUN is a Superspecialty Cardiac Hospital also offering multispeciality medical services like plastic surgery treatment and heart surgery treatment. Facilities at a glance - Booking of appointments, Pick-up facilities, Guest house facility, Travel arrangements, Cafeteria, 24 Hours Pharmacy, Cyber Zone, 24 Hours Emergency and Ambulance services. DESUN has a separate department dedicated for service of international patients. The department takes care of all arrangements for the patient, right from the time they land in India till the time of departure from India.
