“Polka” or “Bindu” as in the name and also in its literal meaning is the beginning of all things.

About Us

“Polka” or “Bindu” as in the name and also in its literal meaning is the beginning of all things. Hence, “Polka One” the inaugural, has been the start of the gallery’s journey meandering through different paths and varying perceptions of artists.

Art cannot be confined to a single theme and nor can it be explained in words. It can only be experienced in all its "different strokes". Therefore, the manifestation of creative form and expression of imagination comes from vibrant colors as well as the starkness of black and white.

Each “stroke” manifests an appreciation of the journey of the artist’s soul in all facets of life and indeed beyond...

Therein, in its simplicity and universality lies the eternal appeal of creative endeavor. This is a salute to this timeless embrace to be experienced in its “different strokes”.
