About Us

Established in the year **2007**, we, “**Polwin Hydrotech**”, are engaged in manufacturing and supplying a wide range of **Hydraulic Valves, Manifold Blocks and Machine Spools**. Our products are demanded for their features like easy installation, durability, low maintenance, fine finish, corrosion resistance and dimensional accuracy. We also offer customization of these products as per the details provided by the clients. We are supported by a team of proficient professionals that helps us in attaining maximum level of client satisfaction. These professionals are updated with the techniques to use latest machines and other equipment requisite in the production process. We have also appointed a team of experienced quality controllers, which keeps a stringent check on entire production process. These professionals check the quality of each product on different parameters before shipment. Owing to our quality-approved products and ability to meet bulk orders, we have been able to garner a huge client-base across the country. For the convenience of the patrons, we accept payment via **cash, cheque and DD**. Under the visionary guidance of our proprietor, '**Mr. Ashok Patel**', we have been able to scale new heights of success. His rich domain expertise, excellent managerial skills and constant motivation have enabled us to stay ahead of our competitors.
