Polynet Envelopes

<https://www.indiamart.com/polynet-envelope/>

Manufacturer of different size of poly coated envelopes, resistant envelopes and HDPE envelopes for serve your mailing needs and valuable documents.

About Us

We are proud to introduce POLYNET ENVELOPES made of specially manufactured POLYNET, HDPE COATED PAPER to serve your mailing needs of important and valuable documents. Our SELF ADHESIVE WATER RESISTANT POLYNET PAPER ENVELOPES have a decisive edge as a permanent replacement over conventional cloth pasted envelopes. While our HIGH DENSITY POLYETHYLENE COATED ENVELOPES (HDPE) are the strongest and unique. We are dedicated to supplying world - class envelope solutions. Combining stringent quality control procedures with cutting edge technologies, we provide envelopes for every need from standard commercial envelopes to specialized full graphic envelopes and everything in between. In addition to Polynet Envelopes, we provide the best quality, service and on time delivery in the industry. The relationships we have with our customers as true partners, is one of the primary keys to our success. The other key is found in the talented and dedicated employees that we have assembled. Our goal is to consistently provide exceptional service. By working closely with our customers, we strive to deliver the best service, quality, and on-time record in the industry, at competitive prices.
