Pooja Enterprise

<https://www.indiamart.com/poojasteel-corporation/>

Established since 1992, we have been one of the leading wholesalers & retailers engaged in offering superior quality Steel to our Enquiry.

About Us

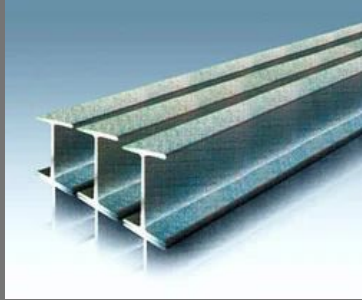

We wish to leave our mark with highly prompt and efficient services with everyone we work. To keep away the issues with the geographical boundaries we have already expanded our services throughout Maharashtra, Goa and Gujarat. We have strengthened our position in the industry by offering our best services to Enquiry and adopting innovative strategies to meet their varied requirements. Keeping in mind the value of time of our Enquiry we provide with 24X7 ready services. Our Endeavour is to provide Best Quality Products at Reasonable Rates in Minimum Time. We don't just Trade, we build relations for life. We provide you with Quality, Service & Technology and a progressive environment. We deal in all major steel and iron products ranging from TMT bars to MS Structures. We also provide customized products on request. Also, we believe in customer satisfaction so we try to give the most competitive pricing to our Enquiry so that they can pass on the benefits to their customers. We envision helping build stronger and safer structures and contribute to the development of the nation's economy by building good Infrastructure. As further step towards success we have started our First Retail Outlet for quicker & better service in the industry. In further going scenario we...
