

Power King Electricals

<https://www.indiamart.com/power-king-electricals-chennai/>

Manufacturer of balancing machine, high volt kit etc.

About Us

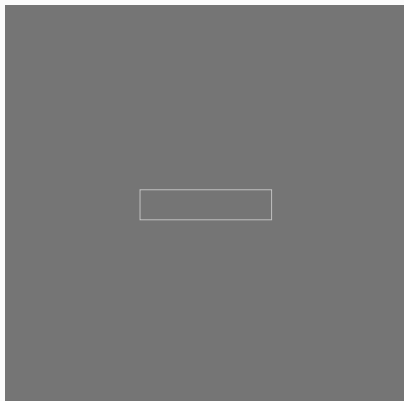

We are pleased to introduce ourselves as leading "Electrical & Mechanical Engineers" registered small scale unit. We are having excellent technical team work force and facilities, to meet all sorts of Electrical repairs/trouble shooting jobs. Particularly, we undertake repair & rewinding all kinds of Generators, AC & DC, HT & LT Motors, Transformers and Special Type of Motors. With the guidance of well experienced expert, who is in this line for about 40 years. We undertake all makes & types of motors namely KEC, NGEF, Crompton, AEI, ABB, Bharat Bijilee, Siemens, GEC, BHEL etc. We also undertake maintenance of Electrical & Mechanical Machines on AMC basis as scheduled by the customers at their site. We will modify the motors like RPM changing, HP changing and voltage changing wherever required, as well as mechanical jobs like motors shaft changing, shaft welding and machining, end shield new making, shield sleeve fixing, terminal cover, fan blade, motor base making and fixing.
