We are one of the eminent manufacturers, exporters and suppliers of a wide range of Industrial Insulators. These are known for their features like reliable performance, durable finish standards and corrosion resistance.

About Us

Established in the year **1989**, at **Kolkata, West Bengal, India**, we, "**Power Mica Insulators**," are one of the well known manufacturers, exporters and suppliers of a superior quality range of **Industrial Insulators**. Manufactured using superior grade metallic & non-metallic material, these are strong, rigid and reliable. Moreover, we also test these to check their dimensional accuracy, functionality and corrosion resistance. Offered at competitive prices, these are extensively used in **Thermal Insulating & Electrical industries** owing to their superior features and finish. In our extensive product range, we offer **Mycalex Insulators, Micavcone & Tube, Mycalex Insulation Pin, Natural Block Mica, Set of Insulator** and **Woven Fibre Glass Tape**. We, a sole proprietorship firm, have managed to attain a substantial annual turnover of Rs. 4 crore (40 Million INR). With a strong client base, we have reached to the markets **of Indian Subcontinent, East Europe, North Europe** and **Middle East**. Our committed and dedicated workforce has also enabled us to meet all the application specific requirements of clients in predefined time limit. Our mentor, **Mr. Rohit Gupta**, has been the driving force in all these years and also continues to be so. His expertise and rich industry experience has also made us capable of ruling the roost and enhancing our client base exponentially.
