Powerful Marketing & Services

<https://www.indiamart.com/powerfulmarketingservices/>

We are a leading name in the market engaged as manufacturer and trader of a quality range of Air gauge Instrument, Lubricants, Cleaners, Protective coating, Work holding products.

About Us

Established in the year, **2006**, as **Powerful Marketing & Services**, we are a partnership firm engaged in the industry as the **manufacturer, trader**, of a high quality and diverse range of **Gauges, Assembly Products and Work Holding Products**. Our prime focus is on quality and offering latest technology to the customers. It is due to this reason that we have been able to get our names added in the list of the top players in the industry. The quality products that we offer to our clients are extensively used in domestic as well as commercial areas. The growing demand of our products in the market can be attributed to the easy installation, shock resistance, dimensional accuracy and durability. Working with us is our highly organized and talented work force headed by our manager, **Mr. K. Anandhan**. To help us offer high quality products to our customers within the pre decided time frame, we have a huge team of skilled & experienced experts headed by him. His vast knowledge and experience has made us reach the position where we have now reached. Owing to the qualities like strong construction and sturdy built, our products are in high demand in the industry.

The offered range is severely tested on diverse parameters by our highly experienced quality experts in order to offer a range which is high in quality terms. We have been able to create and maintain a high client base only due to these reasons. We have a huge and...
