About Us

Powerlite Blocks Private Limited established in the year **2018** and set up a plant at A-115, near Skoda Aurangabad, Five Star MIDC, Shendra, Aurangabad. This is the first plant in Marathwada region. We have set up this plant with a vision of developing Green Technology for improving the quality of lives of people. Our range includes **AAC Blocks and Ash Bricks** . We at PLBPL are committed to customer satisfaction, understand and cater to client requirements. We work with passion and integrity to deliver world-class products. We believe in building relations on the basis of trust and are committed to quality. We offer best of the services and maintain minimum TAT for our esteemed clients.

Our products are the most cost-effective and eco-friendly as compared to red clay bricks. These products have features like dimension accuracy, high strength, perfect finish, durability, light weight and are easily available in the market. Our products are made of fly ash, cement lime and other aeration agents. Due to fly ash usage, it saves fertile level.

Under the efficient guidance of our mentor, “**Mr. Shailesh Khivasara**”, we, have been able to carve a distinct place in the industry. His in-depth industry knowledge and sharp business acumen have enabled us in understanding the changing needs of our clients.
