Establish in **2011**, **Powertronics Corporation** is reckoned as a leading **Manufacturer, Wholesaler and Service Provider** of **Inverter, Battery and much more.**

## About Us

Established in **2011**, **Powertronics Corporation** is a leading and highly reckoned firm of the industry engrossed in the **Manufacturer and Wholesaler** of an impeccable and flawless range of electrical batteries and inverters. Some of the products our company has been highly betrothed in include products like **Inverter Battery, SMF Battery, Industrial UPS, Servo Stabilizer and much more.** Above all we ensure 100% concise tests before these products are being delivered towards the clientele end. Also, we have been one of the favorite names of the industry owing to our highly convenient and economical market rates which we have been offering with our products. We are also the **Service Provider** of **UPS AMC Service and UPS Installation Service**

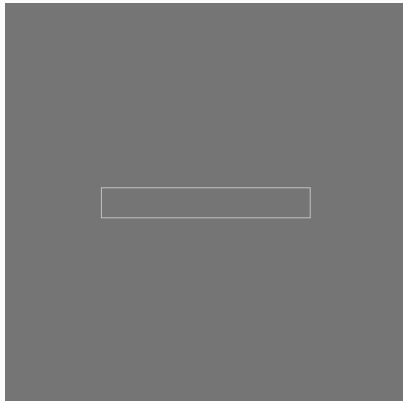

Our leader **Mr. Krushna Vaishnav** (Proprietor), has been ensuring the deep fervency of our customers in the venture we have been pursuing. Moreover in order to stand by the venerated demands of our customers, we have maintained huge and well organized machine infrastructure at our company premises. Above all, we have hired the most astute and skilled technicians at our company premises thus working on a fully win-win policy.
