Since **2010**, we are matching up with the never ending necessities of the customers; our company is engaged in **manufacturing** of **Mens Shirt, Cotton Yarn, Cotton Fabric, Mens Trouser** and **Cotton Dhoti**. Our quality standards are comparable with the best. Several years of expertise in the textile sector is reflected in the quality of our range of products we manufacture.

Gone are the days when Dhoti was seen merely as a rustic wear worn by village people. The great significance of this garment is that it is worn by men from all walks of life. It is of course the hereditary groom's costume in South Indian marriages. We at **Yaga**, weave our dhotis with elegance and style to meet your fashion and comfort needs. We have a wide collection of dhoti designs woven to perfection with the finest cotton by our skilled weavers. Our dhotis are available in wide ranges with different borders and patterns to complement with our collection of white cotton and wedding shirts.

Our product men are suited for both casual and festive wear. Just adorn yourself in our majestically pure and white...
