<https://www.indiamart.com/prachiexports/>

Exporter and trader of Agro Products, Indian Spices, Basmati Rice, Sesame Seeds etc. Our range possesses features like freshness, healthy, rich in aroma and safe consumption.

## About Us

Established in the year 2006, we, "**Prachi Exports Navi Mumbai**", have evolved as prominent exporter, supplier and trader of an extensive gamut of **Agro products and Feeding Products** like **Yellow Maize, Sweet Sorghum, Chick Peas, Red Onions, Raw Cotton, Basmati Rice, Finger Millet, Oil Seeds, Sesame Seeds, Safflower Seeds, Indian Spices, Curry Powder, Chilly Powder, Whole Seed Spices, Coriander Whole, Whole Red Chilli, Turmeric Finger, etc.** Our range is high in nutritional value, delicious in taste, rich in aroma and safe to consume. We are associated with leading vendors of the industry to procure quality products. Before procuring, we ensure that these food items are well processed in hygienic and safe conditions. Apart from offering, the vendors helps in also modifying our range. Being a client centric organization, our commitment is to deliver healthy range to the clients. Further, we also believe in garnering a cordial relationship and long standing relationship with them. For this, our endeavors are directed towards offering complete satisfaction by meeting their specific demands. At present, we have a wide client base in **East/Middle Africa, South/West Africa, East Europe, North Europe, Middle East, South/West Europe, Gulf Countries and U.K.** Our well developed distribution network enables us to provide selected items to the clients within limited time frame. Under the guidance of our mentor, "**Mr. Pravin...**"
