About Us

Incepted in the year **1983**, at **Bengaluru, (Karnataka, India)** we “**Pradeep Textile Syndicate,**” are one of the pioneer names in supplying an exquisite collection of **Cotton Suits & Sarees**. Our team of procurement agents sources these products from the most reliable manufacturers in the industry, who fabricate these products at their high-tech manufacturing unit from superior quality of fabrics. Our expert team of quality analysts conducts rigorous checks of these products right from the procurement stage till the products are sent for transit in order to ensure it complies with the international standards of quality. Fine Quality, durability, varied no. of designs. **We are basically looking queries from south India region.**

We are backed by highly qualified team of professionals, which enables us to sustain our cordial business associations with our vendor base. These products are offered in a variety of traditional and contemporary designs to suit the diverse needs of our clients. All our team members work in close coordination with our clients to offer them suitable products as per their specifications. We have established a separate warehousing facility to safely store our products from all kinds of damages. Further, we pack these products in suitable packaging material in order to deliver these products safely at our client's end. We have carved a niche of respect and repute in the industry due to our...
