## About Us

Laptec is reasonable cost professional laptop repair service in the India. Our Engineers are experts in both hardware and software, with the years of experience repair all types of laptops. Laptec main motive is quick service with right solution, you can order repair at your onsite according to your schedule. Our free secure collection team collect your laptop from anywhere in the India where we can quick repair your laptop wherever you are based. **QUICK RESPONSE - FAST LAPTOP SERVICE TURNAROUND.**

Our computer and laptop service offers a fast response, FREE estimates, and a friendly jargon-free attitude - all geared to providing you with quality LAPTOP repairs as fast as possible and at an affordable price. We offer cheap LAPTOP repairs while maintaining a high quality of service. We will always complete your repair as quickly as possible, but we'll always put quality before speed. We can generally respond in less than 24 hrs, and often on the same day. **ONSITE LAPTOP REPAIRS OR FREE COLLECT / DELIVER**

We'll come to repair your computer or laptop at your home or business in Tardeo mumbai and surrounding area likes Worli, Mahim, Bandra, Khar etc., and if we can repair your LAPTOP on site we'll do so. If further work is required we'll take your equipment to our workshop, repair it, and return it to you (note: Some jobs are always done in our workshop due to the nature of the work required). Collection & delivery is FREE within Mumbai region. You can, of...
