Prakash Fabcon & Engineering Private Limited

<https://www.indiamart.com/prakash-fabconengg/>

We are one of the leading manufacturers and suppliers instrumental in offering wide array of cable trays, bends & junctions boxes. These products are widely appreciated for their features like high durability and flameproof nature.

About Us

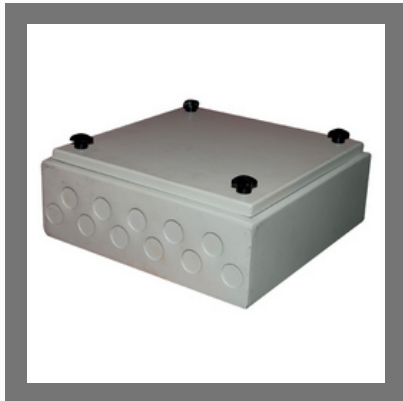

Established in the year **1964**, we, “**Prakash Fabcon & Engineering Private Limited**”, is a well-known name in the list of manufacturers and suppliers of **Cable Trays, Bends & Junctions Boxes** like **Basket Tray, Stainless Steel Cable Basket Tray, Broad Ladder Cable Tray, Curve Ladder Type Right Angle Bend, Ladder Type Right Angle Bend, Electric Junction Box, Steel And Premium Junction Box, Metal Junction Box, Carlon Junction Box, Fireproof Junction Box, etc.** Our quality-proven range is fabricated using high-grade raw material such as iron, stainless steel, plastics, aluminium and other related material procured from trusted vendors of the market. The entire range is highly demanded and appreciated in domestic markets due to its features like shockproof & flameproof nature, high tensile strength, longer functional life, high durability and corrosion resistance. Our products are tested on various quality testing parameters prepared in compliance with national and international industrial standards. We also render various kinds of services related to **Turnkey Projects**, which caters to diversified needs of sound management systems. Our services include furniture & carpentry, flooring, acoustic treatment, ceiling, and many others. These quality-proven services are highly demanded in conference room, recording/mixing/studios, banquet halls, auditoriums and theaters. Apart from this, our services are also...
