About Us

Pranali Industrial Services Private Limited was established in the year 1992. We are Exporter, Trader and Supplier of Carbon Steel Pipes, Steel Tubes, Steel Fittings, etc. Pranali started sourcing of Seamless / Welded Tubes and pipes, Flat products, and other pressure parts in 1992 from Ahmedabad, a major centre of tube production about 500 Kms, North West of Mumbai, India. Pranali is an international sourcing, marketing and consulting firm committed to help small to large-sized overseas companies with access to the emerging economy of India and China.

We have developed a focused strategy to leverage the advantages of India and China. PISPL started its activities as Sourcing and Marketing Specialist in 1992, at Ahmedabad, Gujarat, the commercial capital and most important cluster for Stainless and Carbon Seamless Tubes and Pipes. The area also has many OEMS producing equipment's for Process Industries like Refineries, Fertilizer, Food and Pharmaceuticals. This area is now also becoming Hub of Major Automobile production since major International and local Car producers have started their activities here.
