We “Pranjal Polymers” Manufacturer of an extensive array of PP Box Type Flange Guard, UV Resistant HDPE Flange Guard, PP Flange Guards, PTFE Valve Guard and much more...

About Us

Incorporated in the year **2006**, we **Pranjal Polymers**, one of the foremost **Manufacturer And Retailer**, of an exceptional quality assortment of **Flange and Coupling Guards**. Offered products range consists of **PP Box Type Flange Guard, UV Resistant HDPE Flange Guard, PP Flange Guards, PTFE Valve Guard and much more**. To design these guard ranges, we use high-quality inputs. Also, our range of products is renowned for attractive attributes like simple design, easy to use, strong construction, lightweight, and low cost.

Our professionals work in close coordination to assure a high-quality assortment of flange and coupling guards to the customers. We have recruited experienced quality auditors, who observe the whole process to make sure that all the rules of industrial quality are being followed. In addition to this, to avoid any hassles in the work environment, our professionals work dedicatedly.

Under the direction of our mentor, **Mr. Dhananjay Rahatwal**, we can create a long list of clients. Also, owing to her knowledge and ethical business policies, we have been able to achieve a renowned position in the market.
