At MDB INFOTECH ,Kolhapur, we have a dedicated team of Accounting Software facilitators & specialists.

## About Us

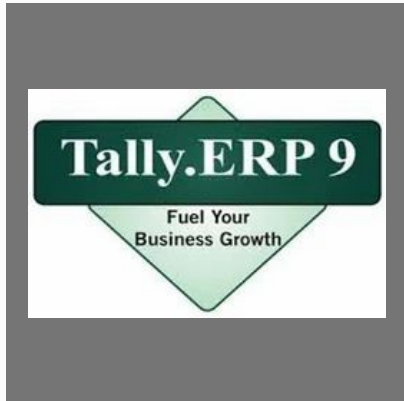

Our services range right from tally implementation, tally customization, integration of the systems with the same & specialized ERP packages. Where the horizon of the other tally service providers ends, we embark upon our specialized services which are absolutely user friendly & innovative practices. We are not just into Tally sales but we have carved a niche in the market for our customization services. When we address the needs of our customers, we tactfully navigate their needs towards the best in the services we provide. We not only get an in depth understanding of the his perspective of the accounting solutions he requires but also have a foresight of the consequential servicing, awareness, customization he might be needing in future.
