## About Us

The Thakur College of Engineering & Technology (TCET) was established in academic year 2001-02 with a clear objective of providing quality technical education in tune with international standards and contemporary global requirements. The college is recognized by All India Council for Technical Education (AICTE) & Govt. of Maharashtra and is affiliated to the University Of Mumbai (UOM). All the courses at the U.G. level that are eligible for accreditation are accredited by NBA. Institute is located in the western suburbs of city at Thakur Village, Kandivali (E), Mumbai. It is well connected by western express highway, western railway and the domestic airport. The management's commitment to excellence and relevance in technical education is reflected in the marvelous infrastructure that is comparable to the finest institution of its type in the country. The imposing five-storied building housing state-of-the-art computer laboratories, spacious classrooms, well equipped laboratories, workshops, computer centre with server room, a well-stocked library, wide and well lit clean corridors and a large canteen has set new standards in providing facilities at an international level. The sprawling campus with lawns, gardens, playgrounds, parking lot and a temple ensures the right academic ambience essential for a center of higher education. Application of modern technology in teaching- learning process and effective day-to-day governance of the college makes TCET unique. Key...
