About Us

Enhancing your culinary skills since 4 years, Prayosham (Reg) Nutri Foods welcomes you to the land of ambrosial flavours offering a variety of **A Mystic Taste Of Vedic India**. Blends designed to provide veritable tastes of cuisines of without Onion & Garlic.

Why No Onion No Garlic?

As per our Indian Vedas a Pure and holy food is always offered to our Almighty God without Onion and Garlic. As its property of food

Giving the world not only a host of tastes and flavours but we also serve Premium Quality Blended Spices to. We think the purpose of spices are not only as additives to make food more appetizing for everyone, especially children but also make their customer since 4 years, Prayosham Nutri Foods believes that culinary skill requires the proper use of spices to enhance your food every time lives Spiritual & Healthy. Spices itself act as a good preservative as we don't use any preservative and added color. It has its own natural colorimetric quality and are rich in antioxidant properties

We procure raw materials from the best fields in India, and quality control checks are regularly carried out under our personal supervision. The formulae of our spice blends is a very closely guarded given by Saints of family secret, as any particular patent is derived only after years of meticulous hard work and research.

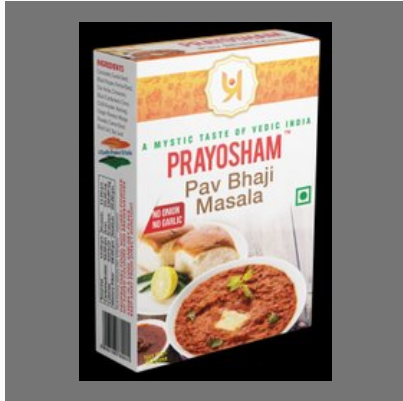

The vast range of spices Prayosham...
