Precision Moulds

<https://www.indiamart.com/precisionmoulds/>

Precision Moulds are engaged in manufacturing & supplying a precisely engineered range of quality Dies & Moulds. These are appreciated for corrosion & abrasion resistance and find application in various industries.

About Us

Established in the year **1996**, **Precision Moulds**, is an **ISO 9001:2008** certified firm offering a wide range of Dies and Moulds of superior quality. We are a member of Manufacturer's Association Faridabad. Engaged in manufacturing and supplying an exhaustive range, we have grown considerably over the years and are an indubitable winner offering quality products that are widely known for flawlessness, corrosion and abrasion resistance, performance and precise engineering. With the great support of our infrastructure and a team of adroit professionals, we are continually engrossed in our pursuit of excellence, and offer innovative products and services after extensive research. We are offering comprehensive Job works in **CNC Wire Cut, CNC Milling, EDM Wire Cut, Die sets, Mould, Jigs, Fixtures and Spark Erosion**. In addition to these, being an OEM manufacturer, we offer quality OEM services to our clients based in various parts of the world. We are progressing incessantly under the guidance of our mentor, '**Mr. Rishipal Gupta**'. His experience, in-depth knowledge and keen market insight have helped us enormously in meeting the demands of our clients in a timely manner.
