We are into different types of catering in order to provide complete catering solution at a single point contact. Apart from industrial/corporate off premises and on premises meal catering

## About Us

We are into different types of catering in order to provide complete catering solution at a single point contact. Apart from industrial/corporate off premises and on premises meal catering, we also undertakes different kinds of corporate event handling as bulk catering, day outs and promotion campaigns event catering etc.

Having handpicked chefs with vast experience in catering from different five/star rated hotels/resorts and a specialized doctor on rolls to monitor the hygiene and sanitation standards, we make sure to deliver you with the best of the cuisines and varied choices at all times. All our food handlers are subject to monthly checks by the doctor and laboratory tests every quarter. Our strength not only lie with the quality of meals but also with varied choice of cuisines offered as Indian, Chinese, Continental, Italian, French and Regional Indian Cuisines as Punjabi, Gujrati, Rajasthani, South Indian, North Indian etc. to name a few.

Sincere chefs spice up soulful meals and sinful scrumptious delicacies to cater to your taste buds. We at Premier Foods know how to cook up the exact blend to leave you gastronomically elated. Our meal services are dedicatedly made to win the feather on the hat by our customers, our events promise to leave you counting for appreciation, and our chefs with their expertise swear to transfer you to a world of connoisseur's delight. Sometimes it takes a little more cocoa to make chocolate sinful! Premier...
