About Us

Established in the year **1990**, **Premium Export Company** is renowned organization engaged in manufacturing and exporting an exquisite range of **Beads and Artificial Jewellery**. These are widely appreciated by our clients for their captivating colors & brilliant shining, smooth polish and finish, exquisite designs and styles captivating colors and luster. Our entire range is innovatively designed and exquisitely crafted, by our team of creative designers. Based at **Varanasi (India)**, we are backed by state-of-the art technology including laser cutting and checker cutting facility, wherein all our stones pass through various stages like cutting, faceting and polishing before these are used in production. This enables us to craft our range of Beads and Artificial Jewellery as per the latest market vogue. We also set-up in-house quality testing unit, so that the both the stones and the final range is inspected on well-defined parameters such as cut, clarity, designs, color combinations, shape. Thus, we have been able to offer scintillating, long term value and superb finishing Beads and Artificial Jewellery to our valued clients. We are guided by our mentor **Mr. Rajiv Agrawal**, who holds a rich industry experience in the respective domain. Due to his dedication and hard work towards the work, we have progressed immensely and endeavor to reach heights of success.
