About Us

It is a small sapling that grows to become a big tree. This is true of Presha as well. From a clinic in Kalyan, Presha grew to become one of the leading suppliers of homeopathic medicines in the state. Presha is a self-contained enterprise, something that is unique in the homeopathic industry. It is also among the few to maintain standards of distribution industry. Under the auspices of Dr. Pratibha Gupta the enterprise has achieved tremendous success and has carved a niche for itself as the leading supplier of homeopathic products.

The booming market of pharmaceuticals has witnessed the growth of many companies and their distributors too, but only a few have been able to make their mark. In 2008 with Homeopathy fast gaining popularity amongst the masses there was a great need of easy availability of all standard Homeopathic drugs. It was then that, Dr. Pratibha Ramesh Gupta a practicing Homeopath visualized and conceptualized a homeopathic supplier for supplying quality homeopathic medicines to homeopaths in vicinity who in turn cater to the needs of ailing and distraught people. Her zeal to supply homeopathic medicines and her commitment towards imparting quality treatment further encouraged her in establishing the enterprise for supply of homeopathic medicines. This was how Presha Homeopathic Suppliers saw the light of the day with its foundation laid in **March 2008** at **Kalyan East** Presha started initially with the supply of few products of...
