

Preya Marine

<https://www.indiamart.com/preyamarine/>

We are the leading Wholesale Trader of Refrigerated Compressors, Hermetic Compressor, Water Chiller, Air Compressor, etc. These products are developed as per industry norms and parameters, at our vendor's end.

About Us

Established in the year **1998**, we, "**Preya Marine**" are the leading **Wholesale Trader** of **Refrigerated Compressors, Hermetic Compressor, Water Chiller, Air Compressor, etc.** Our highly experienced and talented team of professionals have complete and in-depth knowledge of our sphere of operation. We firmly believe in teamwork and dedicatedly work to provide premium quality products. Moreover, owing to the capacious warehousing facilities we have been able to spread our wings across the market. We have dedicated team members to help us deliver our products as per the client's requirements and within the time frame set. These vendors are popular for giving quality assured products. Our products are widely appreciated for their high efficiency, long shelf life and robust design. Apart from this, we are offering these at very affordable rates.

Our company has achieved a reputed position in the marker and this is possible due to the guidance of Proprietor, "**Mr. Parag R. Shah**". His brilliant managerial skills, constant inspiration and zeal towards achieving the organizational targets on time have enabled us to win the faith of clients based across the market.
