About Us

Prima Telecom Limited is a part of the Telecom Division of the Suri Group. It was established in 2000 as a distributor of last mile access products. Today, PrimaTel is a convergence solution provider in technical collaboration with Loop Telecom Inc providing end-to-end solutions in the access networks. The company has expanded its business and customer domain to cover products in wireless, wireline compression and network management systems by developing strong product development infrastructure and all India support. The company is ISO 9001/14001 and OSHAS 18001 certified and has a recognized R&D setup for product design & development.

PrimateTel has launched Industry. leading solutions, for Telecom infrastructure, in technical collaboration with Omnishelter (Italy), to provide a complete solution in active/passive and special needs shelters with efficient power management systems. Here again the strength of PrimaTel lie in providing an integrated solution to cater to the diverse needs of the customers.

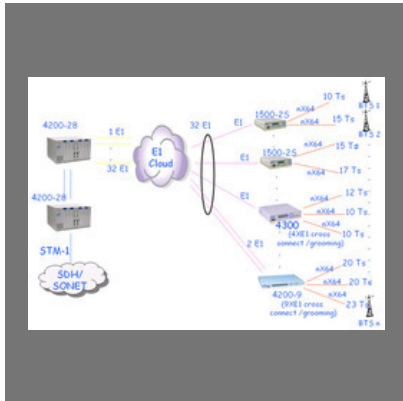

The success of PrimaTel lies in its highly skilled and trained workforce capable of understanding the business needs and converting and commissioning them into solutions.
