About Us

Prime Cable Industries was established in 1997. We are Manufacturer, Supplier and Exporter of Multi Strand Wires, Panel Wires, Round Flexible Wire, Submersible Wire etc. In our endeavour to give the quality products to our client. We have the works equipped with the most modern testing equipment enabling us to meet different national and international standards. Prime cable industries (A unit of R.C. Cable Pvt Ltd) is one of the India leading cable manufacturing companies, having valuable experience of many years. Over the years the group has widened its part and has attained a reputable name in the cable industry. Our product cater to wide span of industries including Power Sector, All Electricity Boards, Steel Plant, Port Trust (Vizag, Chennai, Adani, NTPC, PGCIL). Prime Cable Industries boasts a prestigious clientele that includes government, institutional and at major private sector organizations at national level. Prime Cable Industries has always laid a great emphasis on manufacturing excellence technological advancement and customer satisfaction. Our In house process control and quality assurance experts ensure that every customer receives a high quality product.

It is my belief that despite the high levels of inflation, India continues to be rather well-positioned to achieve continued economic success and growth in this very challenging environment. Despite our rapid growth and elevation to the leadership position in the in the industry, the market trends...
