Prime Specialty Coatings (PSC's) has successfully developed and having a wide customer base in Gujarat and all States of India.

About Us

Prime Specialty Coatings (PSC's) has successfully developed and having a wide customer base in Gujarat and all States of India.

PSC's believes in Commitment to Quality, Competitive Pricing Structure, Timely delivery and an all round assurance of customer support. PSC's is the manufacturer of high performance protective paints and coatings. We are committed to providing the best quality products to our customers. We are achieving this by using good manufacturing practices, by continually improving the effectiveness of the quality management system, by understanding customer requirements and exceeding customer expectations.

PSC's provides customised solutions based on Polyurethane, Epoxy, Acid and Alkali resistant for various substrates like Ferrous and Non Ferrous metals, Concrete, Glass, Plastics, Wood and other Industrial, Decorative and Protective applications to every customer. Right from understanding the requirement, to developing the paint, supervision of application and pre and post follow ups – Today Prime Speciality works in tandem with the customer's team.

Today PSC's, introducing several products used for Polyurethane Elastomeric Coatings, Concrete Preservation Treatment Solutions, Glass Coatings, Brass Coatings, Coatings for Castings, Tabletop Clear Coatings, Marble Epoxy Coating, Powder Coating and Coatings for Plastics.
