About Us

We are pleased to introduce ourselves as an established Information & Technology Service Provider dealing in a wide range of hardware & software products and services over a wide range of platforms. Priority's mainstream business activity has been the field of System Integration involving the assembling of premium quality pc products and selling branded computer products. Our customized products cover a wide range of applications involving Medium to a Large Scale Business Corporations, to a cross-section of quality conscious Home Consumers spanning across Mumbai and Thane.

Priority today aspires to climb market leadership positions in its area of expertise by immediately adapting to the New Product Technologies & preventing from being oblivious to the Product Obsolescence in the market. Through our apt understanding of the needs of the customers we have been able to effectively and efficiently deliver a wide array of world class products and services that have encouraged them to come back time after time.

With the help of our well qualified and experienced support engineers we have consistently maintained extremely high standards of Product Quality, After Sales Service & Excellent Deliverance Time Frames.

Having achieved all this in a short span of time, our current phase of expansion is to promote National & MNC Brands of Consumer and Enterprise Pc Products. A step in this regard was achieved by becoming the Authorised Channel...
