## About Us

Project Garments Private Limited is a 100% foreign equity, export oriented firm involved in the manufacture and export of the finest quality garments for both work and leisure. We manufacture for top brands in various countries like Italy, USA and the Middle East. We specialize in producing international quality garments for world renowned brands. Our quest is, to continuously improve on technology and quality. We concentrate mainly on producing quality fashion wear, professional garments and hospital uniforms. We started operation in 1994 in the commercial capital of God's own country, Kerala at Cochin, India. Our unit, located in the Cochin Special Economic Zone, is ideally located near seaport and airport. The fully air conditioned facility houses state of the art sewing machines imported from Germany and Japan. The whole unit adheres to international standards for production as we work for ISO 9002 companies from around the globe.
