About Us

Property Deal & Project Management company started the journey in the year 1994. In an era, when the construction industry was in its nascent stage.

Prashanth Rasquinha a marketing wizard is the Managing Director, with over of two decades of experience in real estate, he has been a realty consultant to major builders in Mangalore and Mumbai. Over the years he was actively involved with many prestigious real estate projects and has earned an enviable reputation for trust worthiness and smooth dealings He knows the pulse of the people and their expectations. He had envisioned the idea of promoting affordable apartments for those who were stuck in unrealistic price.

The year 2014 marks the completion of 20 years of Mr. Prashanth's steadfast commitment to excellence. What began as a small real estate enterprise in Mangalore two decades ago, is now a well known project marketing and project management firm a force to reckon with.

Some of our prestigious corporate clients include MRPL, NMPT, BASF, MCF, AIRTEL, DLF, Infosys and others. Our professional associates—architects, interior designers, landscapers, engineers, legal and financial advisors, building services consultants and communication consultants—are leading names in their lines of business. We share a long-term professional relationship with all of them, based on mutual regard and respect.
