About Us

Established in the year **2019**, we, '**Prosaf Packagings**', are involved in **Manufacturing** an impeccable gamut of **Laminated Paper Bag and Multiwall Paper Bags and much more**. The entire array of bags is manufactured using the optimum requisite raw material such as plastic and paper, sourced from the most reputed vendors in the industry. Furthermore, these bags are developed while keeping in the mind the clearly stated quality parameters of the requisite industry. Apart from the above, we provide offered paper bags in various colors, design, patterns, shapes, and sizes, so as to cater to divergent demands of our prestigious patrons. The offered paper bags are extensively used by many agriculture, chemical, construction industries vegetable shops and many more. These paper bags have gained popularity among our patrons for their remarkable traits such as eco-friendly nature, high tearing strength, excellent converting behavior and outstanding print quality. We are glad to present ourselves as an eminent firm, owing to our multifaceted panel, patron-focused approaches, and ethical business policies. As far as our workforce is concerned, due to its skills and in-depth knowledge, we have gained expertise in this field. Our teammates are assigned a different task as per their ability, such as sourcing of raw material, quality testing and delivery of the products at the patrons' end within the scheduled time frame.
