About Us

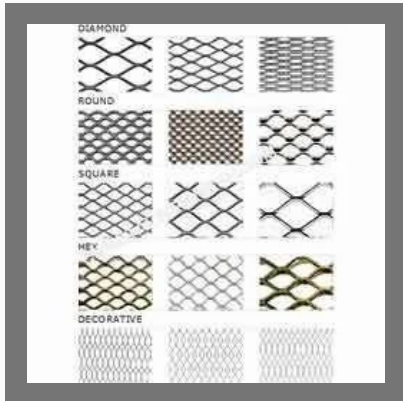

PSG Group was established in the year 1988. We offer wide range of industrial oils and chemicals range. Our dedicated chemists and support staff are responsible for not only the development of new and innovative products but also manage these from concept to final product. **PSG Group** has wide network of dealers and stockists who are dedicated to provide complete support to local and national customers by supplying our superior quality products within specified time frame at competitive pricing. We offer end-to-end solutions to our customers. **Background: PSG Group of Companies**
PSG Group of Companies stands testimony towards success in the industry and exponential growth into diversified family business segments. Brainchild and vision of **Sri Gaurav Wadhwa**, to bring together the diversified family business into integrated and successful “PSG Group of Companies.” This family runs business since 1988 which is couple decades now. **Sri JK Wadhwa**, father of Sri Gaurav Wadhwa, started Industrial Chemicals and Lubricants business in Faridabad during later eighties (1988) through M/s PSG Chemicals Pvt. Ltd. By 1999 the business developed into full-fledged oil and chemical Industry. Sri Gaurav Wadhwa joined Sri JK Wadhwa in 2006 to partner in business and started M/s Gaurav Enterprises. This journey of family business continued, with addition of Fabrication of Crane...
