## About Us

We are a multidisciplinary construction company offering a diversified range of construction and allied services across industrial, institutional, government, government residential and residential projects in India. We provide our services across the construction value chain, ranging from planning and design to construction and post-construction activities to private and public sector enterprises. Historically, we have focused on projects in the Gujarat region. We have completed and continue to undertake construction projects in this region. More recently, we have geographically diversified our portfolio of services and are undertaking or have bid for projects pan India.

Over the years, we have successfully executed a number of prestigious projects across Gujarat. One of the first major projects that we completed was the construction of the GCS Medical College, Hospital and Research Centre (managed by the Gujarat Cancer Society) in June 2012.

Subsequently, we have successfully executed a number of prestigious projects, including, inter alia, the construction and interior works of Swarnim Sankul 01 and 02 at Gandhinagar, the construction of the Zydus Hospital at Ahmedabad, and various works in relation to the Sabarmati Riverfront Development project at Ahmedabad. Further, we have completed or are currently undertaking projects for a number of reputed customers, including, inter alia, Cadila Healthcare Limited, Care Institute of Medical Sciences Limited (CIMS),...
