About Us

Established in the year **2012**, we "**Dudhoria Consultancy Services Private Limited**" are the leading **Service provider** of a wide range of **Company Registration Service, Income Tax Consultancy Services, Import Export Licensing Service, Registration Service, Trademark Registration Service, Certification Service, etc.**

The idea of Dudhoria Consultancy Services(DCS) was conceived to cure the menace of unnecessary hassles of accounts and compliances. Following the industry trends we found that there was one general problem. The focus of the businessman is usually dissected between managing his business and maintaining accounts and regulatory compliances. If the same brain focuses on the business only, there can be a manifold growth in the individual's business, leading to a nation-wide growth. Also, if such emerging firms hire accountants, either the accountants are not trained adequately or they tend to change their jobs very frequently. Thus the burden of training the accountants rest on the business houses. Moreover, the cost of employing a well trained accountant is quite high. There is hardly anybody present to take full responsibility for the accounts, tax and regulatory compliances. This general problem was the seed which finally grew into DCS.

DCS has an experienced and well versed team who were all operating on their individual fronts. DCS has been incorporated to assemble all their expertise and to generate easy...
