Push Pack India

<https://www.indiamart.com/pushpackindia/>

We are a certified entity engaged in Manufacturing and Supplying a qualitative assortment of Measuring Cups, Bottle Caps, etc. These products are widely demanded for their crack resistivity and fine finishing.

About Us

We obtained our corporate legal identity as “**Push Pack**” in the year **1984**. Our organization specialized in **Manufacturing, Exporting and Supplying** a distinguished range of **Measuring Cups & Spoons, Bottle Cups & Closures, Pet Bottles, Dropper Bottles, Pilfer Proof Caps, HDPE & Glass Bottles, RO & PP Caps, Packaging Materials, Plastic Lids**, etc. These products are manufactured and moulded at our highly developed manufacturing unit using meticulously tested eco-friendly plastic. Offered products are widely demanded for packing purpose in industries like pharmaceutical, food processing, cosmetic, chemical, etc. The offered products give reliable packaging options due to their airtight packing quality and robustness. Customer’s value and commend our products for their enormous characteristics like light weight, leak proof, hardness, smooth finishing, easy to open and close lid, recyclability and durability. Our offered products can be obtained in different sizes, shapes, colours and capacities by our esteemed clients. We are exporting our products in Middle East and Indian Subcontinents. Operated from **Ahmadabad (Gujarat, India)**, our organization has achieved uncommon success in this domain by presenting flawless product range. We are assisted with a highly developed infrastructure base unit that is divided into different departments like manufacturing, designing, quality managing, warehousing...
