https://www.indiamart.com/qcs-comm-tech/

ISO 9001 certified IT hardware products and solution integration company - offer office automation, wireless, networking, access control, IP surveillance, Hotel guest room management solution, gate automation, Home automation, AV and FTTH solution.
About Us

One can visit our website qcs technologies to know the entire scope of our work.

In the commercial segment - we offer office automation, wireless, networking, IP surveillance, access control, Hotel guest room management, Building management solution, gate automation as well as complete board-room AV solution.

we cater to education, hospitality, health, enterprise segment.

In the residential segment we offer complete smart connected home solution - integrated passive cabling solution for all 5 different services like voice, data, IP surveillance, IP vdp, and multi DTH services. This is usually 30% cheaper than conventional cabling/ftth solution. Also it is future-proof as it is based on fiber, further it has very low maintenance cost.

Further for developers/individuals we undertake Home automation, Home security (intrusion etc), Home-wireless, Home AV solution.

In a nutshell - we are a complete solution provider for both commercial as well as residential segment.
