

Quad Poly Plast

<https://www.indiamart.com/quad-polyplast/>

We are one of the distinguished manufacturers, suppliers and distributors of a comprehensive assortment of **Plastic Raw Material & Rubber Scrap** and Polymers. These are widely demanded in automobile, food and plastic industry.

About Us

Established in the year **2000**, we, "**Quad Poly Plast**" are engaged in manufacturing, supplying and distributing a wide array of **Plastic Raw Material & Rubber Scrap and Polymers**. These products are extensively used in various industries for processing of plastic. Manufactured using quality tested raw material, these products are in-line with the international quality standards. Depending upon our skilled professionals and sophisticated infrastructure, we have been successfully catering to the requirements of our clients. Our hardworking and committed professionals make rigorous efforts to ensure that the clients are provided with the optimum quality products. After manufacturing the excellent quality products, we store these in our spacious and well-facilitated warehouse. Moreover, our capability to meet the bulk requirements, client-centric approach and timely delivery schedules have enabled us to become one of the most prominent organizations in the industry and garner a strong client base. Under the efficient headship of our mentor, '**Mr. Mohammed**', we have flourished immensely in our business venture. His incessant efforts and visionary approach have enabled us to sustain the growth rate for years.
